Current Expiration Date: **Justification:**

Because of critical work related to implementing recent statutory and regulatory changes that took effect October 1, 2007, ED was delayed in reviewing the recommended changes for the Loan Discharge Application: Unpaid Refund that were submitted by the FFEL community and preparing the revised form. ED is requesting temporary extension of the currently approved collection for 90 days in order to ensure that this loan discharge application remains valid for use while the revised form is in clearance.
